Wrestling Nerd Full Product Key Free

Wrestling Nerd is designed for fan-fans of the professional wrestlers that participate in tournaments or for hardcore wrestling fans that don't mind spending quite a few seconds setting up and managing a tournament. Wrestling Nerd and the Wrestling Nerd Tournament Builder both share the same database of all professional wrestling matches. Wrestling Nerd Tournament Builder - allows you to create and manage any tournament that matches the criteria you've set up. 1. Create new tournaments 2. Set up the competition for a tournament (advanced feature) 3. Set up the rules for a tournament (advanced feature) 4. Create any number of brackets 5. Set up the tournament to end with the Double Or Nothing Match or Last Man Standing or Fatal 4-Way 6. Make any number of duals and single match finals, and create a Tournament Logo 7. Add a Wrestling Nerd Tournament Builder logo to your Tournament 8. Create a bonus round, to determine who the winner is 9. Manage your tournament results 10. Sort your participants by their wrestling abilities or most recent performance 11. Print individual wrestlers' statistics and streaks in a separate tournament Wrestling Nerd Tournament Builder has a number of additional features, including the ability to add your own logos, profile, and background images. Wrestling Nerd is designed for wrestling enthusiasts that can help them manage tournaments. It features a simple point and click interface for advancing wrestlers in a tournament. Scores are automatically calculated based on win types as the tournament progresses. The program prints brackets, bouts, scores, and place winners. It also performs a number of queries like fastest fall times, the number of bouts, and individual wrestler statistics. Standard Edition Professional Edition This is the same as the Standard Edition without the 30 day trial. Wrestling Nerd \$25.00 Reviews There are no reviews yet.
